PROJECTS

2008 – 2021

Professional skills

He has established a solid reputation with a large portfolio of Italian and international clients and public bodies dealing, both in the judicial and extra-judicial fields, with matters relating to international, civil, criminal and administrative law and also before higher courts.

He has consolidated a professional experience in civil law, administrative, commercial and corporate, as well as international law, assisting both Italian and foreign clients in the protection of their interests in both judicial and extrajudicial fields.

1. In the field of civil law, he is particularly dedicated to inheritance issues both in the planning of the generational transfer of assets and in the context of inheritance disputes, providing assistance in the establishment of Family Trusts, Family Agreements, reorganization of corporate assets, divisional and legitimacy reinstatement agreements.
2. In the field of corporate commercial law, he deals with the organization of entrepreneurial activities especially in the sector of real estate investments and foreign trade, corporate liquidations, debt restructuring in the context of the instruments offered by the Bankruptcy Law, being able to boast amongst these activities a considerable number of successful transactions involving large companies.
3. In the field of administrative law, he has substantial experience of legal aid in disputes before the TAR and the Council of State, both on behalf of private clients and on behalf of Town/City Councils, mainly in the context of urban planning law. He carries out consultancy activities for Council areas located both in the territory of the Veneto Region and in that of the Calabria Region.

Over the years he has established an international reputation, providing assistance to foreign clients, both private and business, in legal disputes, arbitration, real estate investments, organization of entrepreneurial activities and asset management.

Between the years 2015 and 2021 he was one of the main actors, as a workers' lawyer, in the stabilization process of former LSU and LPU workers in Calabria still assisted in numerous disputes also before the European Courts.

MANAGEMENT AND LEADERSHIP SKILLS

Organizational and management skills

In 2008 he founded his own law firm where he supervises and coordinates the work of his staff, collaborators and external consultants.

In 2018, he opened a second office in Rome and in 2021 a third in Gioia Tauro.

He is a member of the board of directors of the civil chamber of lawyers of Padua, active in organizing training, meetings and debates for lawyers relating to current legislative and constitutional issues.

COMMUNICATION AND INTERPERSONAL SKILLS

Communication skills

Excellent communication and mediation skills, acquired during the long professional experience, in particular in the settlement of disputes at an out-of-court disputes.
